System Usage Request

Recurring Nets must submit an update yearly (Every January)

A **NET Manager** is the responsible person who is the main contact, organizes the requested NET/Event and is responsible for all things related to the net. NET Managers are also responsible for contacting other NET Managers in the event will be impacting an regular ongoing net. A NET schedule is published on the SNARS website.

_____ _____

Title of Net or Event | Request Date

_____ _____

Net Manager Name | Net Manager Email

_____ _____

Net Manager Phone | Net Manager Callsign

Event Type: (Select One)

◯ **Recurring NET**

A recurring NET occurs either nightly or once a week. A NET Manager must be assigned and using this form provide updates when information or NET Manager changes.

Day of Week: ☐Mon ☐Tues ☐Wed ☐Thurs ☐Fri ☐Sat ☐Sun

Hour:_____ Duration (Approx):_____

◯ **One-Time Race/Event NET**

Race or Event Communication Support is considered a one-time event even if the event happens each year at the same approx day/time. A request must be submitted each year. If the NET will impact an ongoing recurring NET, the NET Manager is responsible in contacting the impacted NET to resolve any conflicts. If no resolution is found the recurring NET will have first priority.

Start Date/Time: _____ End Date/Time_____
